A number of bartenders were asked if they could predict a person's personality based on drink they ordered. Their answers were very consistent:

Female Drinks

She orders: Beer

Meaning: Casual, low-maintenance, down to earth.

Approach: Challenge her to a game of pool.

She orders: Blender Drinks

Approach: You won't have to approach her. If she is interested, she'll send you a drink.

She orders: Wine (other than White Zinfandel)

Meaning: Conservative and classy. Sophisticated, yet giggles.

Approach: Tell her you love to travel and spend quiet evenings with friends.

She orders: White Zinfandel

Meaning: Easy. Thinks she is classy and sophisticated. Actually clueless.

Approach: Make her feel smarter than she is. This should be an easy.

She orders: Shots
